The Green line is the Trim Line. This is where the printed product will be trimmed.
For best results, be sure that all text and artwork that does not bleed has a margin of 1/8”

The Red line is the Bleed Line. Any background art that touches the Green Trim Line needs to extend to the Red Bleed Line.

The Light Blue line is the Margin. Any information that does not bleed needs to be inside this line.

3.5” x 2” Standard Business Card

This template is for placement and positioning only and should be removed before the final print artwork is exported.
